

## **BOP Ram Assembly**

BOP Ram Assembly is the core seal parts of a Quad Ram BOP. Normally, One size Ram Assembly only fit with one size coiled tubing. There are 4 types of Ram Assembly in a Quad Ram BOP. They are Blind Ram, Shear Ram, Slip Ram, Pipe Ram from upper to lower. The Ram Assembly installed in the Quad BOP depend on your requirement.

Normally, our BOP Ram Assembly only meet with our Quad Ram BOP. The Ram dimension maybe differ in different companies products. And the accessories such as Inner Seal and Outer Seal may not interchange with other companies too. If you need other companies' BOP Ram Assembly, processing with supplied drawings or processing with samples will be allowed.

*Blind Ram*

*Shear Ram*
